

**Prof. Gabriella Fabbrocini**  
**1964 - 2023**

EADV is saddened by the sudden passing of Prof. Gabriella Fabbrocini, who had a fundamental role as an EADV Board Member representing Italian dermatologists and venereologists. She will be remembered as a fantastic and strong woman, a highly respected and professional colleague who has greatly contributed to the world of dermatology. We honour her legacy whilst our thoughts are with her family.
