

Dr Sarah Rogers
1946 - 2023

EADV expresses deepest condolences for the passing of our esteemed colleague and friend Dr Sarah Rogers.

Dr Rogers was strongly involved in EADV and her clarity, sincerity and strength of character guided the Academy on numerous occasions.

From the onset of her involvement with the Academy, she was an active presence amongst the many-faceted EADV committees. She successfully represented Ireland as a Board Member for two terms and her dedication to the advancement of dermatology nursing was tireless. We are most appreciative of her leading role in the development of the Nurse Taskforce and the NAWG working group.

Dr Rogers was a highly respected colleague who contributed a great deal to the world of Dermatology. Our thoughts are with her family at this difficult time.
