Dear Friends and Colleagues,

It is our great honour and privilege to invite you to take part in the 37th International Union against Sexually Transmitted Infections (IUSTI) Congress which will be held in Zagreb, Croatia, September 11-14, 2024.

We believe that the 37th IUSTI-Europe Congress will be an excellent opportunity to exchange scientific ideas, knowledge and experience among colleagues with expertise in sexually transmitted diseases and genital dermatology from all around Europe and many other parts of the World.

The invitation is extended to a respectable number of internationally renowned dermatologists, gynaecologists, infectologists, microbiologists, urologists, proctologists, epidemiologists with whom we closely collaborate through our involvement in joint projects, multicenter studies, registries, new guidelines creation, etc.

We promise the warm traditional Croatian hospitality in the exciting and beautiful capital city of Zagreb. The Congress Organizing and Scientific Committee will make their greatest efforts to create an unforgettable professional and social atmosphere for every participant.

We are looking forward to an exciting scientific program and lively discussions.

Welcome!
