Useful information related to election procedure and time commitment of Board Members

Second Term Election

Please note that Board Members eligible to stand for second term elections must submit a full nomination just like any other nominee.

Time Commitment and other Practical Information

EADV Board Members represent EADV Members from their country and are expected to connect with the colleagues they represent and to promote the EADV and its activities/events.

Time commitment is low-moderate in comparison to other EADV Leadership/Committee positions. However, Board Members may be called upon by their constituents for endorsement, queries, suggestions, etc. throughout the year.

Every EADV Committee should preferably have at least one member who is also a member of the Board. Consequently, Committee Calls for Nominations open only to Board Members are regularly advertised.

Accommodation and travel expenses (within defined limits) as well as registration fee for Symposia and Congresses are taken care of by the Academy.

Board Meetings and other Meetings/Commitments

Board Members exercise their main power by attending the Board Meetings, by expressing their opinion at such Meetings and by voting. They are, therefore, expected to be present for the entirety of all regularly scheduled Board Meetings.

The Board usually meets in person twice a year: (i) at the Spring Symposium (usually April/May); and (ii) at the Annual Congress (usually September/October).

Board Meetings are chaired by the President.

The President, President-Elect and Immediate Past-President are Board Members as well as being Executive Committee Members. All Board Members, including the Presidents, are eligible to vote at the Board Meeting and the President has a casting vote.

It is good practice for Board Members to attend Annual General Meetings and they are invited to social events such as the President's Dinner usually held during the EADV Congress.
