

# Parasitologic Dermatology

Residents & Specialists Course | 3-5 September 2025 | Antwerp, Belgium

## Description

This course in parasitological dermatology will be held at Antwerp's renowned Institute of Tropical Medicine. Through lectures, presentations of clinical cases, discussion of public health issues relating to cutaneous parasites and, above all, practical work under the microscope, participants will learn more about the involvement of these microorganisms in our skin.

## Learning Objectives

- Identify best clinical practices in common and uncommon skin parasitologic infections
- Identify prevention methods
- Identifying the public health challenges

## Faculty

Chair: Antoine Bertolotti

Speakers: Romain Blaizot, Olivier Chosidow, Steve Walker, Steven Van Den Broucke

Tutors: Niels Horst, Idzi Potters
