### **Time commitment of Committee Members and other Practical Information**

The maximum term of office of each Committee Member is 4 years. A Committee Member cannot be re-elected as a member of that same Committee after 4 years in office, but in exceptional circumstances the Board may request a member to extend their term of office on a Committee for a period up to a maximum of 2 further years. A Committee Member who has served 4 years (or more) as a member of a Committee is eligible to stand for election as Chairperson of that Committee when such a vacancy arises.

Any member elected to serve on a Committee either as a member or as Chairperson will be notified accordingly by the Secretary General who will inform that individual of the Tasks of the Committee, the members of the Committee and their election dates, and a copy of the previous Report of that Committee.

The Tasks of each Committee shall be defined by the Board and Committees' adherence to these tasks will be monitored by the Executive Committee (EC). No committee is entitled to deliberate as a body on matters outside their defined tasks.

The Business of Committees is limited to the defined tasks and shall normally be conducted in person at meetings, by mail or other appropriate long-distance communications method.

Any Committee Member who fails to attend in person in 3 consecutive committee meetings and gives no valid reason in the opinion of the EC for not attending shall be deemed to have resigned from the committee and his position will be opened to another member of the Academy.

Committee Members attending committee meetings held at Symposia and Congresses will receive free registration.
