USEFUL INFORMATION RELATED TO COMMITTEE MEMBER ACTIVITIES AND TIME COMMITMENT

Time Commitment and other Practical Information

The maximum term of office of each Committee Member is 4 years. A Committee Member cannot be re-elected as a member of that same Committee after 4 years in office, but in exceptional circumstances the Board may request a member to extend their term of office on a Committee for a period up to a maximum of 2 further years. A Committee Member who has served 4 years (or more) as a member of a Committee is eligible to stand for election as Chairperson of that Committee when such vacancy arises.

Any member elected to serve as a Committee Member will be notified accordingly by the Secretary General who will ensure to connect the newly elected Member with the Chair and/or Administrative Support of that Committee – ensuring that the elected candidate is thoroughly informed about the tasks, duties and activities of the Committee.

The tasks of each Committee shall be defined by the Board and Committees' adherence to these tasks will be monitored by the Executive Committee (EC). No Committee is entitled to deliberate as a body on matters outside their defined tasks.

The business of Committees is limited to the defined tasks and shall normally be conducted in person at meetings, by mail or other appropriate long-distance communication methods.

Any Committee Member who fails to attend in person in 3 consecutive committee meetings and gives no valid reason in the opinion of the EC for not attending shall be deemed to have resigned from the committee and their position will be opened to another member of the Academy.

Committee Members attending committee meetings held at Symposia and Congresses will receive free registration.
